INTRODUCING

Sooner or later, it's gonna happen. The primal urge to just... let....go. Unwind. Unplug. You're not alone. Hedonism III at Runaway Bay, was created as a reward for all those times you've had to deny your basic instincts. In this lush garden of pure pleasure, the word "no" is seldom heard.

Hedonism III is a sandbox for your inner child, nourishment for the mind, body, spirit and soul. Pleasure comes in many forms. Choose one. Or two. Or more. And with absolutely everything included in one upfront price, from fine dining to unlimited premium brand cocktails, to every land and water sport up to, and including, trapeze lessons, you never have to think about money. Not even tips. Just what to do next. And when. And with whom.

After a week at Hedonism III, you'll view the world from a slightly different angle. You'll be relaxed and stress-free. And at times you'll find yourself smiling for no reason whatsoever. Hedonism III. There's nothing else on earth quite like it.

GBM

1999 ZODIAC CALENDAR

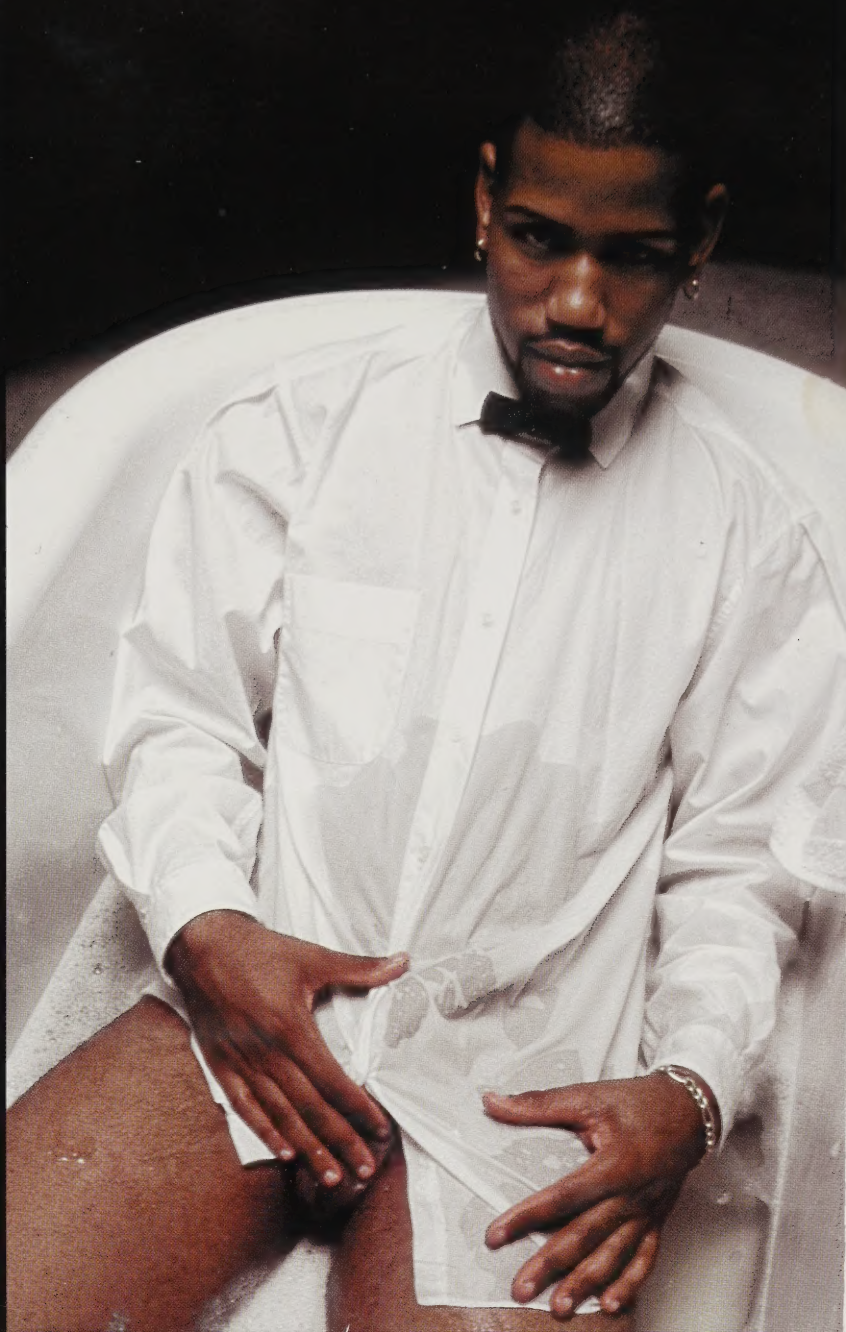

TY LATTIMORE

TY LATTIMORE

made his video debut in the first GBM video, *The Bachelor Party*. Shortly afterward, Ty toasted GBM readers to a "Happy New Year" in the anniversary issue of the magazine. Since that time, Ty has gone on to more video and magazine features, including the newest GBM video, *The Pledges of Gamma Beta Mu*. More than just a pretty face, Ty has recently demonstrated his business side by opening a dance bar in San Francisco called "b-boy." The editor and staff of GBM wish this young entrepreneur much success.

CAPRICORN

(December 22 – January 18)

The New Year promises strong Nubian arms, carving a path few men will equal, watching you conquer your goals fills any love book, a volume never needing a romantic sequel.

LIGHTNING

first captured the eye of the *GBM* editor in a video performance he did a year ago. Luckily for *GBM* readers, famed photographer Vega ran across him while searching the streets of D.C., living up to his "real man" image. Lightning can be found dancing up a storm on the East Coast.

Kavanaugh

CALM:

a Texas man, is one of those brothers who command respect with just a look. After he made his magazine debut in the sixth issue of GBM, the letters poured in from readers who wanted to know more about him. The most frequently asked question has to do with his name. My guess: isn't it Calm right before a storm?

First question: why do they call him Jersey? Answer: who cares? He's so fine, he can call himself anything he wants. Second question: what's the tattoo of? Answer: who cares? It's crawling up his body; bet you wish you could, too. But you can't. You can only dream about it.

DR. FEELGOOD

How does the song go? "Don't send me no doctor, to fill me with all of those pills." I guarantee, if this one makes a house call, it won't be to fill you up with pills. Dr. Feelgood made his debut as the cover man for the "Men at Work" issue of GBM magazine. I always wondered what was under those white doctor smocks. Now we all know.

JC CARTER,

to this day, remains one of the most popular men of *GBM*, and a close personal friend. It seemed fitting to end the year with him, since he ended the premier season of magazines as the cover man of the holiday issue of *GBM*. He has quite a few videos under his belt, but the ones he has done for *GBM* have taken him to new limits. Yes, even JC has limits—or should I say had limits, since we've already surpassed them. Don't worry, there will be new ones.

this brother means business. Look at the power behind those eyes. His stare could freeze you in your tracks. His lips could melt you with one kiss. His body could make you forget everything that happened in between. Jovan was chosen over dozens of beautiful black men to be on the cover of the Anniversary Issue of GBM magazine. True story: Jovan wrote to the editor asking if he would be interested in doing a photo shoot of him for the magazine. I may be a lot of things, but stupid ain't one of them.
